## Prayer — Date TBC

Where: Hope Baptist Church (PL3 4QG)

Come and join us as we pray for and with each other.

There will be a variety of prayer activities to inspire and encourage us.

## We have a phone!

The Switch phone is alive!

This phone will be used to remind or update everyone about each event.

It will also act as our prayer chain. If you have a prayer request no matter how big or small, send it to us, we will collect them together and send them out to all those in the Switch phone. This is going to be a great way to keep up to date with everyone's lives, which we know can be tricky.

If you would like to receive updates and reminders about events, and prayer requests, please text this number with your name in the message: 07908940305

## House group

Each house group is run and hosted by a member of our church, we have a variety of house groups that run on different days and times so there should be one that suits you!

If you would like to join a house group then please email Paul Snell; paul@thesnells.org.uk

*To help with planning and budgeting you must book onto each event you wish to attend and if required please inform us of any allergies you may have.*

For more information about anything to do with Switch and to book onto each event please:

## Adrenaline/Trampoline Park — Sunday 1<sup>st</sup> October

Where: Adrenaline (Ninja park) Time: 4-5PM Price: £10

We'll be heading to Adrenaline after church for an afternoon of bouncing around.

Why not just jump to it?

If you want to come along but don't want to join in with Adrenaline, a few of us will be watching the mayhem from the café.

Also we would like to meet up for a couple of drinks and maybe some food afterwards. We have a few options in mind but will decide based on how everyone feels after Adrenaline.

## Switch Escape Room — Saturday 4<sup>th</sup> November

Where: Hope Baptist Church Time: 6PM Price: £5

Come one, come all to Switch's escape room. On a cold winters night in a church not so far away. There was an evil couple who locked all the food away for themselves as they wanted the group to starve.

Can you solve the puzzles and stop yourself from starving? I think not. MWHHAHAHAHAHAHA

## Christmas Extravaganza — Saturday 2<sup>nd</sup> December

Where: Hope Baptist Church Time: 6.30pm Price: £5

Snow, most likely, won't be falling all around us, but Switch will be playing and having fun.

Come and join us for a Christmas delight, wonderful meal and games galore.

Secret Santa will be optional, but if you want to be involved the limit will be £3, bring any present you like (wrapped) and all those that join in will pick a present from under the tree.
