Prayer — Date TBC

Where: Hope Baptist Church (PL3 4QG)

Come and join us as we pray for and with each other.

There will be a variety of prayer activities to inspire and encourage us.

We have a phone!

The Switch phone is alive!

This phone will be used to remind or update everyone about each event.

It will also act as our prayer chain. If you have a prayer request no matter how big or small, send it to us, we will collect them together and send them out to all those in the Switch phone. This is going to be a great way to keep up to date with everyone's lives, which we know can be tricky.

If you would like to receive updates and reminders about events, and prayer requests, please text this number with your name in the message: 07908940305

House group

Each house group is run and hosted by a member of our church, we have a variety of house groups that run on different days and times so there should be one that suits you!

If you would like to join a house group then please email Paul Snell; paul@thesnells.org.uk

To help with planning and budgeting you must book onto each event you wish to attend and if required please inform us of any allergies you may have.

For more information about anything to do with Switch and to book onto each event please:
