### Church Minibus – Help Needed

We are urgently looking for some new helpers to be responsible for co-ordinating the use of the church minibus from the 1<sup>st</sup> September.

This involves managing the diary of the minibus and accepting bookings by phone and/or email. This could be done by one person, a family or a small team.

We are very grateful to Lisa Richards who has been fulfilling this role. Having volunteers who help with this, is a big factor in enabling us to keep a minibus available for the church. Please contact the church office if you think you could help in any way.

### Summer Trips

For those of you travelling with children this summer, how far do you think you will get if you stopped for every request that your family ever had on the trip.

What would happen if you stopped at every store, every restaurant, every playground and every park that the kids wanted to stop at?

Those request aren't evil, they aren't immoral, they aren't bad.

They're just things like ice cream. Or I gotta go to the toilet, for the eighth time in two hours.

And while there is no evil per say in the requests, they are not in the best interest of the family's ultimate goal.

Have you ever wondered what life would be like if God answered every prayer that you ever uttered?

### How to stay up to date...

Email the office and ask to be added to the Church distribution list.

You will then receive the weekly newsletter and other updates by email.
